Dear Mr. Strickland,

I recently received the enclosed mail from one of my constituents [REDACTED] [REDACTED] is concerned about warranty issues with the 2006 Hyundai Sonata and non-functioning airbags. As this issue falls under the jurisdiction of the National Highway Transportation Safety Administration, I ask that you please review [REDACTED] concerns and respond to her directly and to copy me on the response. Thank you in advance for your time and consideration of this matter.

Sincerely,

Dave Loeb sack
Member of Congress

Mr. Loeb sack,

I am having trouble with a warranty issue on my 2006 Hyundai Sonata. After filing a claim with the NHTSA, I researched their records regarding this problem. To my amazement there were hundreds (if not more), of complaints regarding the same issue.

Would you please write to the NHTSA regarding complaints filed regarding 2006 Hyundai Sonata Airbag or Seat-belt sensors. My and many other car owners currently don't have working airbags due to this matter.

Thank You
