--	---	--------------------------------	-----------------------	-------------------------

Narrative Description of Incident(S), Crash(es), and Injury(ies).
Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure; i.e. parts repaired or replaced (and if old part is available).

REAR CURTAIN AIRBAGS BEGAN SWELLING, CAUSING SEPARATION OF INTERIOR PANELS. CALLED SCION CUSTOMER RELATIONS AND WAS ADVISED THAT, BECAUSE MY VIN DID NOT MATCH THE RECALLED UNITS, THERE WAS NOTHING THAT COULD BE DONE AND THAT THE OWNER WOULD BE CONSIDERED RESPONSIBLE EVEN THOUGH I WAS EXPERIENCING A SIMILAR ISSUE AS DOCUMENTED IN TOYOTA RECALL NO. SSC 60H. ACCORDING TO THEIR RECORDS THE PROPER REPAIRS WERE ALREADY MADE PRIOR TO MY PURCHASE. EITHER THIS IS A CONTINUED DEFECT, OR THE REPAIR WAS COMPLETED IMPROPERLY AS NO INCIDENT HAS OCCURRED THAT WOULD OTHERWISE COMPROMISE THE INTEGRITY OF THE AIRBAG UNITS. *TR

CARFAX Price Adjustment™

Accidents, service records, number of owners and many other history factors can affect a vehicle's value. The CARFAX Price Adjustment is a tool that analyzes millions of used car transactions to measure how the combination of all the information reported to

CARFAX affects the value of a particular vehicle. The vehicle's retail book value plus the CARFAX Price Adjustment will give you a more accurate measure of the vehicle's value. Use this tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1994 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
