INFORMATION Redacted PURSUANT TO THE FREEDOM OF  
INFORMATION ACT (FOIA), 5 U.S.C. 552(B)(6)

I wrote a letter 2½ to 3 months ago about any information on file with your headquarters. About any accidents, defects or call backs on the 2010 Hyundai Elantra. I was involved in a car accident in which I was driving a 2010 Hyundai Elantra was had a defect which caused me to crash. I also found another case Pelas v EAN Holdings which did the same thing my car did causing their car to crash as well. In both cases the were both rental cars and both 2010 Hyundai Elantras. That is why I am looking for any more information about this year make and model car on file with your office. Any information that you have can direct me to will be greatly appreciated.

Thank You and God bless!

Sincerely

P.S. The Pelas accident happened two months after my accidents, so I know their may or may not be more information. I pray their is more information!

\* The NTSB forwarded a letter months ago I sent to them this is my second request for help. Please respond as soon as possible. (Over)

Question : If a company has a recall on an automobile like a 2010 but the car was built in 2009 but it was a 2010 that was built in 2010 that had the defect. Even though it was built in 2009 would it be on the recall form being a 2009 or a 2010. Which one would it be 2009 recall or a 2010 recall?
