Mr
To Randy Reid

I was looking at T.V. the other night and I see
that Hyundai Motor Company had a recall on its
Hyundai Elantra 2006 to 2011.

Please send me all the information you may have
on this recall of the Hyundai Elantra sedan 2006 to
2011. I really need all information of the 2010 Hyundai
Elantra! Thank you and God bless!

Sincerely

P.S. The problem I really need to
know is that if the 2010 Hyundai Elantra
was recalled. Was it for defects to the steering
braking accelerator or suspension because the car
I was driving was a Avis rental car. As it pulled to
the left even when I turned to the right. The
2010 Hyundai Elantra pulled back to the left, hit
the curb and the air bag knocked me out. But the
2010 Hyundai Elantra kept going hitting a pole cross the
median and killing a person in another car in on com-
ing traffic. In which I got 24 years in prison!
* I need this information fast!
