Subject: Re: Acknowledgement from NHTSA/ODI of your safety complaint

Thank so much. I just found out today that one of my close friend's at work had the exact same thing on 001. So there must be hundreds out there. It may not fall under safety but it sure could. If you think when this happens you are in free wheel. No, warning at all.

Thank you for filing your safety-related complaint via our Web site or our Vehicle Safety Hotline. The ODI Number listed below will be a direct link to your complaint as soon as it is ready to view. Please allow at least two business days for approval and processing before trying to view your complaint online. You will then be able to view it and search any associated documents.

Your Confirmation number (ODI Number) is: [10486408](#)

Your complaint information will be entered into the NHTSA vehicle owner complaint database. NHTSA technical staff review this information to identify potential safety problems. While you may or may not be contacted by a NHTSA investigator to clarify the information submitted, all reports are reviewed and analyzed for potential defects trends. Also, the NHTSA complaint database provides valuable information to other consumers and to manufacturers.

If you have any questions regarding this complaint, please contact ODI:

- By phone: [1-888-327-4236](tel:1-888-327-4236) Monday-Friday, 8:00AM to 8:00PM Eastern
TTY: [1-888-424-9153](tel:1-888-424-9153)
Have your ODI Number available.
