The information that follows will outline the steps to take if you should experience a problem with your JASPER component. Our warranty coverage is provided on the inside pages of this guide.

1. Contact the business or JASPER distributor from which you purchased your component or dial 1-800-827-7450.
2. Provide the information that you recorded above along with a description of the problem.
3. The component supplier will contact his JASPER distributor or the JASPER offices and the information will be relayed to an engineer at the JASPER Factory.
4. If you should experience a problem away from your home, call the JASPER 800 number below. Be sure to provide the above component information and a description of the problem. This service is available 24 hours a day, 7 days a week.
5. Our goal is to treat your situation in a prompt, efficient and courteous manner.
6. For any claim to be considered, prior authorization must be given and alleged defective parts must be returned to JASPER for inspection.

Required Initial Lubricant/Fluid Changes

To assure the long life and continued performance of your remanufactured component, we recommend that you follow the initial lubricant and fluid changes outlined below. Please follow the guidelines of the equipment manufacturer for lubricant and filter changes thereafter.

Gasoline Engines:

Change engine oil and filter at 500 miles (or 10 hours for a marine engine) and then at a suggested interval of every 3,000-4,000 miles or 3-4 months (40 hours or once a season for a marine engine), whichever occurs first.

Transmissions:

Change transmission fluid after 5,000 miles of highway service or 100 hours of severe service.

Diesel Engines:

Oil and filter should be changed after the first 8-10 hours of highway or commercial service.

Differentials:

Change differential fluid after 5,000 miles of highway service or 100 hours of severe service. Requires lubricant meeting GL-5, 6 or 6 MIL. SPEC. 2105D or 2105E specifications. Use appropriate additive if limited slip version. You may be required to furnish proof of these services when making a claim.

Stern Drives:

Change drive lubricant after first 10 hour break-in period.

BUYER'S WARRANTY GUIDE

**FOR YOUR JASPER
REMANUFACTURED PRODUCT**

This pamphlet contains
important warranty information

Be Car Care Aware

Thank you for your purchase of a JASPER Remanufactured Product.

JASPER gas and diesel engines, transmissions, differentials, marine products, and performance products, are produced under strict quality control procedures. In addition, JASPER adheres to the standards and tolerances of the manufacturer who originally produced the component. The reputation of our company is assured through our active membership in such organizations as the Engine Repower Council, the Society of Automotive Engineers, the Production Engine Remanufacturers Association, the Automatic Transmission Rebuilder's Association, Automotive Service Excellence, and the Association of Diesel Specialists.

Your JASPER product should provide the life and performance similar to a new component because it has been remanufactured, not rebuilt. All parts have been carefully inspected, machined, prepared or replaced.

Like a new component, your JASPER replacement should be carefully installed and will require care during break-in and continued maintenance with quality lubricants at regular intervals to assure its long and useful life. The following are important points to remember.

Break-In and Maintenance

Initial lubricant change recommendations are included on the back of this guide. We recommend that you follow the guidelines of the vehicle or equipment manufacturer for lubricant, filter and coolant changes thereafter. (NOTE: Be sure to watch for any other areas that affect component life such as proper tire inflation for differentials.)

Thank you again for choosing JASPER. Your purchase has shown you to be both value and quality conscious. Please help us to improve our products and services by completing and mailing the enclosed customer evaluation card.

SELLER LIMITED WARRANTY

JASPER warrants components against defects in our workmanship and material in accordance with the schedules and limitations outlined below. Repairs or replacement will be made at the JASPER factory within a reasonable time after notice and upon receipt of the goods deemed to be defective per the schedules and limitations of our written warranty. A warranty case number must be assigned and repair instructions provided prior to repair or replacement of goods.

*Marine Labor - Maximum labor on Short Blocks not to exceed purchase price of unit. Maximum hours for Completions 16.5. Because of design limitations, Mercruiser Alpha stern drives installed on applications with more than 300 hp are not warranted.

All labor expense for field repairs, removal and reinstallation shall be determined from hours listed in the current ALL DATAMOTORS time guide or pre-approved time at the factory approved rate.

Buyer specifically acknowledges that the components purchased will require additional accessories/components and must be properly installed or the warranty may be void. The limited warranty will be void and not apply to failures caused by (1) overrevving (2) accident, abuse or an operation for which it was not designed, or alteration, either drive train or suspension, from the original manufacturer's specifications (3) damaged or inoperative components or accessories not included in the sale (4) dirty or improper installation (5) overheating and/or freeze cracks to blocks, heads or drive cases (6) burned or melted pistons (7) lack of lubricants or fluids (8) extensive corrosion damage to stern drive (9) detonation or preignition (10) burned thrust bearings caused by rear pressure (11) rust, corrosion or damage caused by electrolysis.

Buyer specifically acknowledges that proper maintenance procedures which include, but are not limited to, changing or calibrating as applicable the filter, lubricant, harmonic balancer, fan hub, water pump, fuel injectors, pumps, hoses, belts, etc., must be performed as recommended by the original manufacturer or the warranty will be void. Camshaft timing belts must be replaced in accordance with O.E.M. recommendations. JASPER will have any responsibility for the cost of this routine maintenance. Failure to change this belt may lead to internal engine damage that will not be covered by the JASPER Seller Limited Warranty. BELTS, HOSES AND OTHER ACCESSORY PARTS SUPPLIED BY JASPER AS PART OF THE ASSEMBLED PRODUCT, ARE COVERED FOR THE FIRST YEAR OF THE WARRANTY ONLY. Proper installation procedures must be followed to avoid accident or injury.

JASPER's limited warranty will end after the expiration of time or mileage from the date of the original invoice. Any repairs or replacement will not extend the warranty. The buyer shall be responsible for all defects, thereafter, regardless of the cause. JASPER's limited warranty is in lieu of all other warranties expressed or implied and JASPER MAKES NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

The buyer must notify JASPER of any warranty claim prior to repair for assignment of an authorization number. The work will be performed either at JASPER's factory or by another selected vendor. It is the sole responsibility of the buyer to pay for such work and, in writing, submit a claim with the alleged defective parts shipped prepaid to JASPER for its review and sole determination.

Buyer agrees that JASPER will not be responsible for (1) incidental or consequential damages (2) lost profits, sales or income (3) injury to person or property (4) oil, antifreeze, fluids or other substances (5) towing charges (6) storage fees (7) telephone calls (8) freight (9) substitute transportation, lodging, etc. (10) unauthorized repairs (11) labor on a gasket kit, oil pump and lifters purchased with a short block engine or gasket kit supplied with a complete engine.

Buyer and seller agree the seller's price is based upon this limited warranty. Buyer and seller also agree the buyer's sole and exclusive remedy against seller on account of breach of contract, warranty or performance shall be the replacement at JASPER's factory in Jasper, Indiana, of defects in JASPER's factory workmanship or material within the periods of this warranty. The buyer will be responsible for shipment and subject to the limitations and conditions of this warranty.

No benefits or remedies are available under this limited warranty while the invoice for the unit or related services remain outstanding. 6.86.13P
