To Whom it may concern:

Many months ago, we received a Safety Recall Notice regarding one of our 2004 Jeep Grand Cherokee vehicles; VIN#1J4GX58N54C [REDACTED] registered to [REDACTED] involving the Occupant Restraint Module. As of today we have heard nothing further regarding this recall and associated repair. The title of the letter states "Safety Recall M35/NHTSA 12V-527, Airbag System Occupant Restraint Control Module".

Is there any way your office can prod the folks at Chrysler, to see when or if this repair will be accomplished

Thank you and I await your prompt reply.

Sincerely,

[REDACTED]
