Re: 1984 American motors Jeep Eagle  
4 door Sedan / 4 wheel drive  
Vin#2CCCK3555EB

Please advise whether the manufacturer, American Motors or Chrysler, issued a voluntary safety -risk recall for the above vehicle. Or whether the National Highway Traffic Safety Administration, Office of Defects and Investigation, requested a safety-risk recall of the above vehicle.

If so, please send me a copy of the recall notification at the above address, or any information concerning manufacturing defects in the above automobile.

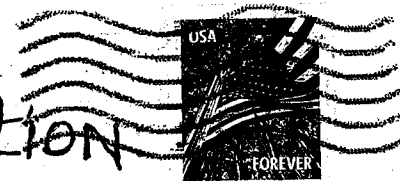

Also, please advise whether NHTSA issued any Technical Service bulletins concerning manufacturing defects or issued a bulletin which identified any safety-risk design problem with the above vehicle.

Thank you for your help,
