Subject: seat belt
Date: Thursday, October 31, 2013 7:58:34 PM

hello sir,
I have 1991 honda civic. it has a flashing seatbelt and make a buzzard alarm. the seat belt does not pull tight when I step on the brake like before. honda motor said it has life time warranty. My local honda dealer say no. where can I go to have it fix?

[REDACTED]
thank you
