prior to this recall
explaining to consequences
of the possible and
or possibilities of accidents.

Kindly, please contact
me at your earliest conve-
nience regarding this
matter, I totalled my
truck because of the
safety. Recall notice
explaining the possibilities
of such.

I believe my truck was
one of the one with this
recall in which I almost
lose my life.

Thank you for the anticipation
of taking the time and
I look forward to hear
from you soon. Sincerely
