Good Morning. [REDACTED] I must apologize. My computer was out of order, e-mail and all. My computer was taken over by a company in "INDIA". They tried to extort money out of me, \$98.00+. They failed!! It took me awhile to get too today. My e-mail is still not 100%. Yes, I reported it to the police. No report was filled out. I gave them all the info. I had. ALOT!

I am not good at opening attachments etc. I have a lot to learn. I did open both files you sent. One was a letter, the other a form. The form, PROGRAM, will NOT allow me to correct any wrong information/change anything? I tried a few ideas. No go? I will try to call you Monday 17th. My car has been in the shop for extensive repairs SINCE 3/10/2014, still is. I hope to have it back by Tuesday? More work will be needed. Presently, the cost is over \$1000.00. Rental not include, nor additional expenses. Being without transportation on and off, disabled 100%, has not been easy. Doctor and hospital appointments, food, extremely hard ETC... I wanted to e-mail you, as soon as I was able to. It is Sunday 16th, 12:00am. My computer is still not 100%. [REDACTED] My ODI:#10565158/case:#607704. My phone#[REDACTED]. E-mail:[REDACTED]. I just need to finish filling Form:#2121-008 properly, to continue. Final estimate, re:cost, is still pending. Please hang in there. I am most grateful. Attorney General is involved, file:#140242.. I have not been able to reach them properly, either. I will try after I e-mail you. I am trying hard,very hard. Subaru should be ashamed of themselves. At least we have more concrete data! Physical evidence too, etc..

Thank You for your patience and hard work. I look forward to working with you.
Gratefully Yours, [REDACTED].
