Recall: Cadillac # 14299

Dear Sir:

I am writing to request information regarding the 2005 Cadillac Deville I owned until June 13, 2014. I cannot find the correct form to get an answer to my particular question.

I had the ignition replaced 6 November 2013, at my expense. I am enclosing the invoice I was given at the time. No one seems to know if it was covered in the recall above.

Any help you can offer would be appreciated.

Sincerely,

Oklahoma City, Oklahoma
