Subject: Re: FW: FW: NHTSA: Follow up to ODI Complaint: ----10648239-----

here are some pictures of the rims where they are splitting/cracking due to being defective.the truck was brought to the dealer balise ford of Wilbraham where they contacted ford motor company and also took pictures of the rims and sent them to ford. ford came back saying that my truck was out of warranty therefore there is nothing that they can or are willing to do.
