To whom this may concern:

I am writing this letter to inform you about valve cover oil leak on my 2008 Hyundai Sonata. The VIN number is 5NPEU46FX8H [REDACTED]. The leak started small. Now it is impacting the alternator sitting below the valve cover. There was a recall issued for the same engine type Hyundai Veracruz 2007-2012. I felt Hyundai should do the same for my Hyundai Sonata with the same engine and issue. Thank you.

NHTSA Campaign Number: 14V415000.

Sincerely Yours  
[REDACTED]
