Subject: Takata airbag recall.

Dear Transportation Secretary Anthony Foxx.

I am respectfully requesting that your agency conduct a **national recall** on all cars that have or may have defective Takata airbags. The regional recall is insufficient in my opinion..

My husband and I own a 2004 Subaru Outback and live on Long Island, New York. We live less than one mile from Manhasset Bay and it is humid for many months per year. I am thankful that Senators Richard Blumenthal and Ed Markey are asking for what I am asking for.

My heart goes out to each and every person that has been killed or seriously injured by these defective airbags. Even if a national recall prevents just one more death or injury it is worth it.

Thank you.

Sincerely,

[REDACTED]
