I own a 2007 Honda Accord bought new in Christiansburg. It is not the subject of any current recalls. I think that it should be. I believe that my car has one of the defective Takata air bags, but because the recall only applies in "high humidity" states and NHTSA/Honda do not consider VA such a state, my air bag is not being repaired per a recall. I am asking for Sen. Warner's help in getting the defective air bags repaired via the recall process for VA residents.

Thank You.
