IMPORTANT SAFETY RECALL

P60 / NHTSA 14V-634

This notice applies to your vehicle (VIN: 2C3CCAAG8DH[REDACTED]).

This interim notification letter is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Dear [REDACTED]

Chrysler has decided that a defect, which relates to motor vehicle safety, exists in certain 2011 through 2014 model year Dodge Challenger, Dodge Charger, Dodge Durango, Chrysler 300 and 2012 through 2014 model year Jeep® Grand Cherokee vehicles equipped with a 160 amp alternator.

The problem is...

The alternator diodes in your vehicle may experience a rapid failure. Variability in the failure mode ranges from no output, reduced output, and/or a fully shorted to ground condition. Depending on the alternator failure mode and timing, vehicle electrical system voltage may drop to critical levels, disabling systems such as Antilock Brake System (ABS), Electronic Stability Control (ESC), Electronic Control Module (ECM), and/or the Central Body Controller (CBC). The driver will have limited or no detection of the alternator failing, which can result in vehicle shutdown while driving and/or an underhood electrical fire.

What your dealer will do...

Chrysler intends to repair your vehicle free of charge (parts and labor). However, the parts required to provide a permanent remedy for this condition are currently not available. Chrysler is making every effort to obtain these parts as quickly as possible. Chrysler will contact you again by mail, with a follow-up recall notice, when the remedy parts are available.

What you must do to ensure your safety...

Once you receive your follow-up notice in the mail, simply contact your Chrysler, Jeep or Dodge dealer right away to schedule a service appointment.

If you need help...

If you have questions or concerns which your dealer is unable to resolve, please contact the Chrysler Group Recall Assistance Center at 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle. You may also update this information on the web at www.chrysler.com/ownersreg.

If you have already experienced this condition and have paid to have it repaired, please send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Chrysler Customer Assistance, P.O. Box 21-8007, Auburn Hills, MI 48321-8007, Attention: Reimbursement. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to <http://www.safercar.gov>.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
