Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

The car has come to a stop 14 times since Dec 2 to 2/10/2015
we had it back to ^{DEALER} 6 times to no avail. It is a very
dangerous situation. It is a miracle that it did not get
hit from behind after 14 incidents. Eventually, there
will be a serious accident. The Dealer (Independence) claims
that the car is in perfect condition and they refuse to
help me out.
