I AM COMPLAINTING ABOUT THE LEAKING HEAD LIGHTS ON MY 2008 CADILLAC ESCALADE ES. THE WATER IS GOING INSIDE THE HEAD LIGHTS ON BOTH SIDES. I UNDERSTAND GM HAS KNOWN ABOUT THE LEAKING HEAD LIGHTS FOR SOME TIME NOW. I AM ASKING IF GM IS GOING TO BACK THEIR PRODUCT AND REPLACE THE HEAD LIGHTS. I WAS ADVISED THAT THE GLUE HAS GIVEN AWAY IN BOTH HEAD LIGHTS.

LET ME KNOW.

THANKS
