RE: Toyota Corolla CE Sedan 4 door 2000

VIN#: 2T1 BR1 2E 9YC [REDACTED]

\*Condition: EXCELLENT

MILEAGE: ± 58000

Kelly BLUE BOOK PRICE: \$3671

Complaint:

Cam bolt fractured, ruining the engine, and left me stranded on the highway. I expected this car to last longer than 58000 miles. I have always taken excellent care of it and purchased a Toyota because of its reputation.

I have also notified General Motors of this defect which could cause a crash injury or death.

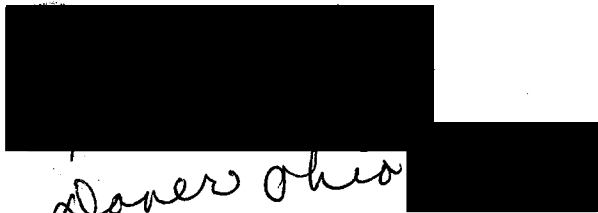

I am extremely upset about this and believe I am due a reimbursement of \$3671, at least, which is the Kelly Blue Book Price for this Toyota in excellent condition.

Sincerely,  
[REDACTED]
