Subject: RE:Consumer inquiry - 10689487 (2014 LINCOLN MKX roll-away / 14V393)

I'm forwarding this to the CRD for response because it seems like it might perhaps be a special case. [REDACTED] believes that her 2014 Lincoln MKS has displayed exactly the same issue described by Recall [14V-393](#) (roll-away while in Park), even though her vehicle evidently falls outside the production dates for that Recall. She submitted an IVOQ [10689487](#) on 2/19/2015 and is requesting advice or a status.
