RE: NHTSA Campaign Number: 14V-700

December 24, 2014

Mr. Jay Joseph
American Honda Motor Co.
1919 Torrance Blvd
Torrance, CA 90501

Dear Mr. Joseph,

I am the owner of three (3) Honda CIVIC automobiles (see VIN enclosure) affected by the current airbag safety recall. To date I have NOT received any directives from Honda regarding when to bring my three vehicles in for airbag replacement.

On page 2 of an article published December 3, 2014 in the [REDACTED] entitled: "Honda to Expand Airbag Recall Nationwide as Takata Resists," it states "...it (Honda) would make new airbags available for customers who requested them in states it had not included." Based on this development I am therefore requesting the earliest date possible for this service to take place on my three Hondas.

Please contact me as soon as possible, preferably by registered mail or at my e-mail address provided above.

Sincerely,

[REDACTED]
