You are under no obligation to respond this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.					

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Around February 2nd or 3rd, I received a letter from HONDA; to not drive my auto. That shrapnel from the airbags might cause severe injury. I called a dealer, nearest to my home, and the lady that answered told me that it's up to you if you want to drive it, because the parts will take a month; later I was told in March 2nd that it will be another month.
