Subject: VIN DR [REDACTED] Notification Code P25

Dealer's Name: Mark's CASA Chrysler-Jeep
9733 Coors Blvd. NW
Albuquerque, N.M. 87114
505-897-8400

MAR -4 2015

We purchased referenced vehicle in March 2013. Received recall notice approximately 3-4 months later. At the time of each service visit, I inquired about the recall and kept getting the answer that the parts have not been received. During a July 29, 2014 service visit, (attached copy) the switch was disconnected.

It is now February, 25, 2015 and we have heard nothing. We no longer take any business to Mark's Chrysler because of trust issues. We even ceased using pre-paid service coupons that we purchased when purchasing the vehicle and we don't intend using the balance of the coupons at any Chrysler dealer.

We realize that this recall notice is not a traffic safety issue but we would like to get the defective part replaced without delay. As you may see by the attachments to this memo, we have had other issues and we are not confident that they have been properly corrected.

Any assistance you may be able to offer will be very much appreciated.

Regards,

[REDACTED]

IMPORTANT SAFETY RECALL

P25 / NHTSA 14V-234

This notice applies to your vehicle (VIN: 2C4RC1BG5DR [redacted]).

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Dear [redacted]

Chrysler has decided that a defect, which relates to motor vehicle safety, exists in some 2010 through 2014 model year Dodge Grand Caravan and Chrysler Town & Country vehicles.

The problem is... The rear quarter vent window switch on your vehicle may overheat if exposed to liquid moisture. An overheated rear quarter vent window switch may cause a burning odor, smoke, or a driver's door fire without warning.

What your dealer will do... Chrysler will repair your vehicle free of charge (parts and labor). To do this, your dealer will replace the rear quarter vent window switch and repair the electrical connector, if required. The work will take about 1/2 hour to complete. However, additional time may be necessary depending on service schedules.

What you must do to ensure your safety... Simply contact your Chrysler, Jeep, or Dodge dealer right away to schedule a service appointment. Ask the dealer to hold the parts for your vehicle or to order them before your appointment. Please bring this letter with you to your dealer.

If you need help... If you have questions or concerns which your dealer is unable to resolve, please contact the Chrysler Group Recall Assistance Center at 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle. You may also update this information on the web at www.chrysler.com/ownersreg.

If you have already experienced this condition and have paid to have it repaired, please send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Chrysler Customer Assistance, P.O. Box 21-8007, Auburn Hills, MI 48321-8007, Attention: Reimbursement. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to http://www.safercar.gov.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.

Customer Services / Field Operations
