REAR QUARTER VENT WINDOW SWITCH

Called 10-7-14 Not in yet

RECALL DATE 6-11-14

IMPORTANT SAFETY RECALL

P25 / NHTSA 14V-234

This notice applies to your vehicle (VIN: 2C4RC1CGXDR [REDACTED])

This interim notification letter is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Dear [REDACTED]

Chrysler has decided that a defect, which relates to motor vehicle safety, exists in some 2010 through 2014 model year Dodge Grand Caravan and Chrysler Town & Country vehicles.

The problem is... The rear quarter vent window switch on your vehicle may overheat if exposed to liquid moisture. An overheated rear quarter vent window switch may cause a burning odor, smoke, or a driver's door fire without warning.

What your dealer will do... Chrysler intends to repair your vehicle free of charge (parts and labor). However, the part required to provide a permanent remedy for this condition is currently not available. Chrysler is making every effort to provide the part as quickly as possible. Chrysler will contact you again by mail, with a follow-up recall notice, when the remedy part is available. In the meantime, if you feel uncomfortable with the current situation, Chrysler has released a **Service Bulletin (08-046-14)** instructing dealers how to disconnect the rear quarter vent window switch on your vehicle, at no cost, until parts become available. Disconnecting the rear quarter vent window switch will eliminate the risk of a driver's door fire.

What you must do to ensure your safety... Simply contact your Chrysler, Jeep, or Dodge dealer to schedule a service appointment to have your rear quarter vent window switch disconnected, per **Service Bulletin 08-046-14**.

Once you receive your follow-up recall notice in the mail, simply contact your Chrysler, Jeep, or Dodge dealer right away to schedule a service appointment. Ask the dealer to hold the part for your vehicle or to order it before your appointment.

If you need help... If you have questions or concerns which your dealer is unable to resolve, please contact the Chrysler Group Recall Assistance Center at 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle. You may also update this information on the web at www.chrysler.com/ownersreg.

If you have already experienced this condition and have paid to have it repaired, please send your original receipts and/or other adequate proof of payment to the following address for reimbursement: Chrysler Customer Assistance, P.O. Box 21-8007, Auburn Hills, MI 48321-8007, Attention: Reimbursement. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to <http://www.safercar.gov>.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
