Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Called 3 times over 1 1/2 yrs. to get repairs done was told that parts weren't available the explanation was that parts were being sent to dealers in states where humidity and moisture were a problem. When we went to Florida in January myself and another chrysler owner tried to get it replaced in Ft. Walton Beach they didn't have the parts either. I have sold the car!!
