Enclosure

Dear Senator Toomey:

I own a 2003 Honda Pilot. I received a letter that because of the recall I will get at no cost to me an air bag fix. Bobby Rahal in Mechanicsburg, PA got one part but not the second. They did not know when the second part would come. I spent a lot of time on the phone with Honda headquarters in California and finally I was told the second part won't come until April. It was like pulling teeth to get that information from them. If they want to sell me a car that goes faster than the speed of light, but to get an item due to a recall seems to take forever. Someone could die because of that delay.

This is a problem I suspect others share. Thank you.
