Dear Sir,

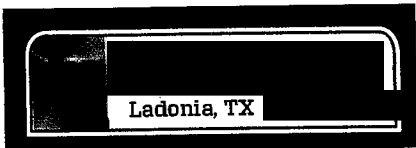

I took my Jeep to Bonham Chrysler, 1522 Sam Rayburn Drive, Bonham, Texas, 75418 to have this Safety Recall performed, (Heated Power Side View Mirror Wire Harness), on March 24, 2015, but no repairs were made, so I still hold Chrysler responsible. I was given something to sign. I think it was so this Dealership could charge you for the repairs but no work was done. As they had my car keys I felt I had to sign it. This is not the first time this has happened at this Dealership. I'm requesting that you turn this over to an investigating agent. I can provide you with names.

Thank you.
