1 Notification:

2
3 I was dispatched to this traffic collision at 1939 hours. I responded from the Irvine Police Department and
4 arrived on scene at 1945 hours. Both vehicles had remained at their point of rest.

5
6 All speeds, times, distances, and measurements in this report are approximate. I measured the Area of
7 Impact with a Rolatape.

8
9 Statements:

10
11 Party-1 [REDACTED] stated that she was stopped for a red signal light in the #1 left turn lane of southbound
12 Culver at Irvine Center Drive. [REDACTED] was the first vehicle stopped in the #1 left turn lane. [REDACTED] stated that
13 she was stopped for approximately one minute. The signal light turned to a green arrow and she proceeded
14 into the intersection to turn eastbound onto Irvine Center Drive. [REDACTED] was traveling 5 to 10 mph. As she
15 was crossing the northbound lanes of Culver she felt the collision occur. [REDACTED] did not see vehicle-2's
16 movement prior to the collision.

17
18 Party-2 [REDACTED] stated that she was northbound on Culver Drive just south of Irvine Center Drive. She was
19 traveling in the #2 lane. [REDACTED] did not know her speed at the time of the collision. As she approached the
20 intersection with Irvine Center Drive she observed that the signal light for northbound traffic was green and
21 she continued into the intersection. As she was traveling through the intersection she observed vehicle-1
22 travel in front of her vehicle and the front of her vehicle struck the right side of vehicle-1. [REDACTED] did not see
23 vehicle-1's movement prior to the collision occurring and could not give approximate speeds for her vehicle
24 or vehicle-1.

25
26 Witness-1 [REDACTED] stated that he was stopped for a red arrow signal light in the #1 left turn lane of Culver
27 Drive at the intersection with Irvine Center Drive. He was several cars behind vehicle-1. He observed the
28 signal light for southbound Culver traffic turn green. He stated that the left turn signal light for southbound
29 Culver to eastbound Irvine Center Drive remained a red arrow. He next observed vehicle-1 proceed to make
30 a left turn in front of northbound traffic while the signal light remained red. [REDACTED] stated that vehicle-2
31 was traveling northbound on Culver but that he did not see its movement prior to the collision.

32
33 Witness-2 [REDACTED] contacted Irvine Police communications immediately after this collision occurred and
34 left his name as a witness. I contacted [REDACTED] on the telephone on 04-17-15 at 1013 hours. [REDACTED]
35 stated that he was northbound on Culver south of Irvine Center Drive. [REDACTED] was traveling south of
36 vehicle-2. He observed the collision occur in front of him and stated that he did not know what vehicle-1's or
37 vehicle-2's movements were prior to the collision occurring but that northbound traffic had a green signal
38 light and the signal light had remained green for several seconds prior to and at the time of the collision.
