NHTSA Recall 14V-351

NHTSA:

2004 Honda Element
Airbags

MAY 29 2015

Numerous attempts have been made with the local Honda dealership to remedy this recall situation. They don't have the airbag inflators in stock, they tell me they have been ordered but can't locate them, they don't return my phone calls. This is a safety issue. Please help.

Local dealer:

Hendrick Honda

5381 N. Federal Hwy
