

JUN 1 - 2015

My name is [REDACTED] I own a 1997 Jeep Grand Cherokee. It was gifted to me by my daughter. I have taken my jeep to a dealership. They claim they inspected it and there is too much "rust" to fix problems. As far as I am concerned this issue should have been resolved a long time ago instead of sweeping it under the rug. I cannot afford to replace my vehicle or repair it. I will continue to drive my car as it is and hope for the best.

P.S.
[REDACTED]
the dealership is a crook. They all are though so don't feel to bad. I generally don't have any thing to do with any of them
