RE: Recall Campaign #14V-428
WBAET374X3N [REDACTED]

I received recent letter dated May 2015 from you. I called on 6/3/15 1800 525 7417 BMW Custom Relations, NJ (spoke w/lan). I advised lan that my passenger side air bag was replaced on 9/25/14 by BMW Smithtown due to a previous letter from BMW dated Sept. 2014

Now after receiving your May 2015 letter I am concerned that bag replaced in Sept 2014 is being recalled. Also I am concerned about driver side airbag. I was told I would receive a letter.

I then called BMW Smithtown. I was told no recall as yet on driver bag/replacement passenger bag. However a NEWSDAY article dated 6/3/15 indicated the replacement bag I had on Sept. might be defective.

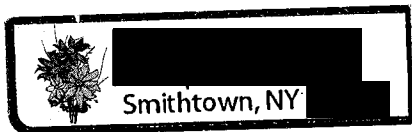

I would like to receive accurate info on my airbags in my BMW.

1. Is replacement passenger side bag of 9/14 defective?
2. Is driver side bag going to be recalled.

Thank you for your attention.
