Attention Mr. William Clay Ford JR;

On August 13, 2015 my wife went for a drive into town in my 2011 FORD TAURUS: Vin Number: 1FAHP2EWXBG [REDACTED] Color: Silver gray: 4door. As she stood at a stop sign another vehicle Coming at high speed crashed right into the front end driver's side and The Air Bags in my 2011 Ford Taurus VIN NUMBER: 1FAHP2EWXBG [REDACTED] FAILED TO DEPLOY causing injuries To the passengers that were with my wife; my daughter , my aunt and my uncle, who all Witness the accident clear view. My Geico insurance adjuster Mr. Ken mccally estimated The damage total loss of my 2011 Ford Taurus with knowledge and recorded on record That The Air Bags in my vehicle did not deploy making this vehicle a LEMON under PA Lemon Law. My family could have been killed and the FORD MOTOR COMPANY WORLD HEADQUARTERS and Executive Chairman William Clay Ford JR would just carry on Selling defective ford products to the AMERICAN PEOPLE without a care in the world Until they are exposed to the Media, safecar.gov, federal trade commission,NTSB, National Highway Traffic Administration, Department of motor vehicles,PA STATE ATTORNEY GENERAL, Honorable Barack Obama, Senator Bob Casey, SENATOR PAT TOMMEY, f.b.i., c.i.a. were informed of these vehicles in order to protect The U.S. FEDERAL Government from having collisions in these 2011 Ford Taurus with defective AIR BAG SYSTEMS. The dealership that sold me this car in may 2013 was Brown Daub TOM RING Kia, William Penn Highway, Easton PA 18042 NOW THE DEALERSHIP IS CALLED GARY LEE KIA. Ford Motor Company has ripped off My money and now I am out of a car. Is this the way Ford Motor Company treats the American Consumer of Ford products. Is this the way to treat a Disabled 100% American Veteran. How Can you sleep at night where innocent victims driving 2011 Ford Taurus with defective AIR BAG SYSTEMS will die in a car accident. The public must stand together against such abuse of power.

I Remain,
