Constituent Statement

Name: 

Date: 24 July '15

On June 16, 2015, my 1995 Ford Bronco exploded & burned in my driveway.

A friend informed me that there was a recall on said ~~vehicle~~ vehicle. I bought the Bronco in 2009. The original recall was posted in 2002 again in 2005. I was told that there was no time limit on the recall.

I finally found a phone number for Ford. I called the number and the gentleman I talked to didn't seem to have much knowledge on the subject. He took my statement and told me, "not to hold my breath," waiting for someone to contact me. That has now been 3 weeks ago. I don't even know if my statement went to the Ford Motor Co.

I feel the Ford Motor Co. (not a call center), should have enough respect to at least contact me personally and explain why I didn't receive something about this recall. I lost \$5,000 dollars because Ford doesn't care about the people that keep them in business!!

Thank you for listening at least.

Respectfully
