**Subject:** Re: Thanks for Letting Us Know About Your Vehicle

Let me clarify my complaint re "Passenger Air Bag Off" light on my Infiniti G 40 VIN JN1CV6APF4FN [REDACTED]. In my complaint I said that my wife's weight varied from 104# to 110#, but since I bought my new car her weight has been a constant 110#, so at that weight the "BAG OFF" light still illuminates and stays on. Thank you. [REDACTED]
