IMPORTANT SAFETY RECALL

R30 / NHTSA 15V-338

This notice applies to your vehicle (VIN: 4B3AG42G35E [REDACTED])

This interim notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Dear [REDACTED]

FCA has decided that a defect, which relates to motor vehicle safety, exists in certain 2001 through 2005 model year Chrysler Sebring and Dodge Stratus vehicles.

The problem is... The passenger sun visor on your vehicle may come in contact with the passenger side airbag during an airbag deployment event if the sun visor is in the lowered position. Depending on the downward angle of the sun visor, the force of the airbag could detach the sun visor from its mount, propelling it rearward towards the passenger seat. This could increase the risk of injury to front seat passengers during an airbag deployment.

What your dealer will do... FCA intends to repair your vehicle free of charge (parts and labor). However, the parts required to provide a permanent remedy for this condition are currently not available. FCA is making every effort to obtain these parts as quickly as possible. FCA will contact you again by mail, with a follow-up recall notice, when the remedy parts are available.

What you must do to ensure your safety... Once you receive your follow-up notice in the mail, simply contact your Chrysler, Jeep, Dodge, or RAM dealer right away to schedule a service appointment.

If you need help... If you have questions or concerns which your dealer is unable to resolve, please contact the FCA Group Recall Assistance Center at either recalls.mopar.com or 1-800-853-1403.

Please help us update our records by filling out the attached prepaid postcard if any of the conditions listed on the card apply to you or your vehicle. If you have further questions go to recalls.mopar.com.

If you have already experienced this specific condition and have paid to have it repaired, you may visit www.fcarecallreimbursement.com to submit your reimbursement request online or you can mail your original receipts and proof of payment to the following address for reimbursement consideration: **FCA Customer Assistance, P.O. Box 21-8004, Auburn Hills, MI 48321-8007, Attention: Recall Reimbursement.** Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you've had previous repairs and/or reimbursement you may still need to have the recall repair performed on your vehicle.

If your dealer fails or is unable to remedy this defect without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, or you can call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to safercar.gov.

We're sorry for any inconvenience, but we are sincerely concerned about your safety. Thank you for your attention to this important matter.
