Dear Sirs,

I would like to bring to your attention that this Olds. Car was very defective from the begining. As you read from my letter recently sent to Mrs. Mary Barra explaining the difficulties we had with this automobile. This car should have been replaced and sent back to GM. Factory for rebuilding and sale again.

The dealer referred us to GM. Of course they did not want to admit this car was a Lemon, so GM. referred us to Better Business Bureau. Again in our letter to GM. dated July 1st 2014 we pointed out that we had two arbitrations, both in vain.

G.M. refused to honor or accept to exchange this car at that time. According to the information we learn now that GM. knew about the Starter and the Ignition being bad in 1997 Models, but they decided to cover it up.

Since GM. refused to acknowledge that this car was defective at that time and should have been taken care of. We called so many times but GM. ignord our calls. We realized that GM. was not going to acknowledge this defective car ignition or starter, we get rid of most correspondence, bills and files. Then the transmission broke on Aug. 14th 2008 right^{on} I - 5, we managed to get off the freeway and called the mechanic who worked on this car most of the time. It was towed to his place of work and had it for almost a year before he was able to fix the transmission.

I was told by "Miss Anne" GM. at 1-855-880-1500 to go and report all of these facts to the Hwy Transportation.

I strongly request that this car be included in the recall and I be reimbursed for the deficult and dangerous times and expenses.

Thank you,

Respectfully,
[REDACTED]

Dear Mrs. Barra,

I would like to bring to your attention what GM. is recalling, Millions of Cars today, had actually started in 1997. That is when we bought our Cutlass Supreme Olds 4D Vin # 1GWH52M2VF [REDACTED]

We took a trip down to Southern California, on the way back just before we reached Stockton, CA. The car suddenly stopped in the middle of I-5 Freeway. My wife & I were very lucky NO BIG TRUCKS or cars were behind us. We managed to push the car off the Freeway. We called G.M. at the time, they informed us to take the car to the dealer which was Millers, "now out of business". They could not find nothing wrong. I contacted GM Olds Division in the Detroit Area, they directed us to Better Business Bureau in Sacramento CA. We had arbitration but the man they brought to mediate with my wife and I After presenting all the facts, decided with Olds against us. There were several things wrong with the car including the Ignition part for which you are recalling all these GM cars today. It never stopped dying on the road. We were afraid some one was going to hit us from the back, so I Decided every where we went we always drove on the right so that we would be able to get off the road. We had a second arbitration in Sacramento CA. with the B.B.B. again the man said a lot of the stuff wrong with the car should be covered in warranty, again he was in favor of your Company against us. I called BBB. in Va. asked the question "DO YOU EVER RULE IN FAVOR OF THE CONSUMER"? His reply was "SOMETIMES".

We contacted the State of California, and their reply was since we were already dealing with GM & BBB there was nothing they could do.

On the bright side when we lived in Dearborn Heights Michigan I loved to buy Olds cars, my first car was 1962 Starfire purchased from Dave Menhart in Wyandite Mich., second car was Delta '88 from LeBaron, Wayne Mich., and also bought '98 from the same dealer.

I worked in Sales on Michigan Ave in Inkster, Riverside Wholesale Beef, for 13 years. When I qualified to get Company cars I managed to talk the President of the Company into buying me Olds. cars. The first one was from LeBaron Olds. in Wayne, second year from Charnock Olds. on Michigan Ave. in Dearborn, third Olds. Glass Olds on Telegraph Road etc. When we moved to California this Cutlass was my 2nd car purchased from the same dealer.

We paid \$18,000.00 for this car and between \$4000 - \$5000.00 in repairs. As a matter of fact we tried to talk to GM on many occasions, and even I called Mr. Warner but he also ignored our call.

We spent so much money for mechanics to fix this Olds. we finally got it to work. About seven years ago we sold it.

In view of the circumstances, we are hoping you will consider compensation towards the troubles and expenses we had with this Olds.

Thank you,

Sincerely, [REDACTED]

Re. 1997 Oldsmobile Cutlass Supreme

Dear [REDACTED]

Congressman Doug LaMalfa has forwarded your October 7, 2015 letter to General Motors and asked that we review and respond directly to you.

Based upon a review of your correspondence, it appears you sold your 1997 Oldsmobile approximately 8 years ago. While you indicate you had a number of issues with the vehicle, we are not now in a position to evaluate your concerns with the Oldsmobile other than to say a 1997 model year Oldsmobile is not involved in the recent recalls you reference.

However, you indicate you have owned a number of GM vehicles over the years and we would like to thank you for being a loyal customer. As a customer relations measure, General Motors is willing to offer you a \$1,000 Owner Loyalty Certificate to be used toward the purchase of a new GM vehicle. Please contact Stephanie at (855)880-1500 if you would like her to process the Certificate.

Sincerely,

Casey Rentfrow

If you have a complaint, you may resolve it with the seller.

Complaints concerning unfair or deceptive practices or methods by the seller may be referred to the city attorney, the district attorney, or the Department of Motor Vehicles, Division of Investigations and Occupational Licensing, P.O. Box 93289, Sacramento, California 94232-3890, or any combination thereof.

After this contract is signed, the seller may not change the financing or payment terms unless you agree in writing to the change. You do not have to agree to any change, and it is an unfair or deceptive practice for the seller to make a unilateral change.

THE MINIMUM PUBLIC LIABILITY INSURANCE LIMITS PROVIDED IN LAW MUST BE MET BY EVERY PERSON WHO PURCHASES A VEHICLE. IF YOU ARE UNSURE WHETHER OR NOT YOUR CURRENT INSURANCE POLICY WILL COVER YOUR NEWLY ACQUIRED VEHICLE IN THE EVENT OF AN ACCIDENT, YOU SHOULD CONTACT YOUR INSURANCE AGENT.

WARNING:
YOUR PRESENT POLICY MAY NOT COVER COLLISION DAMAGE OR MAY NOT PROVIDE FOR FULL REPLACEMENT COSTS FOR THE VEHICLE BEING PURCHASED. IF YOU DO NOT HAVE FULL COVERAGE, SUPPLEMENTAL COVERAGE FOR COLLISION DAMAGE MAY BE AVAILABLE TO YOU THROUGH YOUR INSURANCE AGENT OR THROUGH THE SELLING DEALER. HOWEVER, UNLESS OTHERWISE SPECIFIED, THE COVERAGE YOU OBTAIN THROUGH THE DEALER PROTECTS ONLY THE DEALER, USUALLY UP TO THE AMOUNT OF THE UNPAID BALANCE REMAINING AFTER THE VEHICLE HAS BEEN REPOSSESSED AND SOLD.

FOR ADVICE ON FULL COVERAGE THAT WILL PROTECT YOU IN THE EVENT OF LOSS OR DAMAGE TO YOUR VEHICLE, YOU SHOULD CONTACT YOUR INSURANCE AGENT.
THE BUYER SHALL SIGN TO ACKNOWLEDGE THAT HE / SHE UNDERSTANDS THESE PUBLIC LIABILITY TERMS AND CONDITIONS.

THERE IS NO COOLING OFF PERIOD

California law does not provide for a "cooling off" or other cancellation period for vehicle sales. Therefore, you cannot later cancel this contract simply because you change your mind, decide the vehicle costs too much, or wish you had acquired a different vehicle. After you sign below, you may only cancel this contract with the agreement of the seller or for legal cause, such as fraud.

Buyer acknowledges that (1) before signing this agreement Buyer read both sides of this agreement and received a legible, completely filled-in copy of this agreement; and (2) Buyer has received a copy of every other document that Buyer signed during the contract negotiation.
