I submitted the above complaint back in October and have yet to receive any updates. I notice PACCAR issued a recall (215-C) on 2009-2015 model 320, 365, 367, and 389 trucks manufactured between July 21, 2008 and Feb 28, 2014 for the same issue that my complaint addresses in the 2014 579 model.

Has there been any further investigation into this? Thank you in advance for your attention to this matter.

Sincerely,
