RE: TOYOTA INNOVATION [AUTO DEALER]
CHRYSLER CORP.
2018 Jeep Grand Cherokee Limited
- 4x4 TRAILHAWK.

There is a complaint against Mill Junction Auto Dealer, and Chrysler Corp (MANUFACTURER)

This vehicle will not deliver more than 15.4 MPG even though rated as 18 CITY AND 25 HIGHWAY. Also when idling and accelerator is pressed, the gear is in an "unengaged" mode and will not move forward.

Also please mail me ALL information or registers that vehicle is under taken
See - at a "LEMON!"

Also please advise of ALL FEDERAL AND STATE REGULATORY AGENCIES WHERE I can also file the OH LAIT.
