Remarks

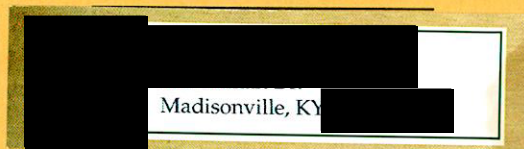

Received an alarm from Central Dispatch for a vehicle on fire in the parking lot of Lowe's, 550 Island Ford Road. Upon arrival fire crew located the vehicle with flames escaping around the hood of the vehicle and heavy smoke. The 150' 1 3/4" pre-connect was deployed and the foam was engaged to extinguish the fire. The combination tool was used to release the hood latch. The hood was opened to cool the engine compartment completely. The fire did travel to the interior of the vehicle and was extinguished immediately. A salt truck was requested and responded to take care of the icy conditions caused by the water runoff in the parking lot. The scene was deemed safe. No further action was taken. Fire crew returned to the station.
