Dear Assistant Secretary Gresham,

My office was recently contacted by my constituent [REDACTED] (whose Privacy Act Consent form and supporting documentation are attached). [REDACTED] reports that she has experienced burns to her legs on two separate instances from the tailpipe of her Mini Cooper vehicle. When she reported these incidents to her dealership, she states that she was told it was a known issue, but was offered no solutions.

[REDACTED] reached out to my office to see if we could assist her in bringing light to this issue. As she states that she has written a letter to the National Highway Transportation Safety Administration about her experience, I was hoping that we may be able to help her obtain an update on the status of the review of her complaint. Any assistance you may be able to offer would be sincerely appreciated. Thank you, and have a great day.

In Service,

Martha McSally
