

 I called the dealer (Ed Napleton)
928-8000 on Sept. 11, 2015 and again on
Oct. 8, 2015. So far we have not been
called back to get this recall fixed.
The vehicles are [REDACTED]
is deceased for 10 years) Dodge Ram VIN
3D7KR26D25G [REDACTED] (2005)
also for [REDACTED] Dodge Ram
2004 VIN 1D7HU18N94S [REDACTED]

We would appreciate an answer as to
when these airtags are going to be sent
to our dealer and get this problem corrected
Thank You
