I am writing on behalf of the New Jersey Division of Consumer Affairs - Office of Consumer Protection to bring this matter to your office's attention. While hearing from the public helps the Division in its efforts to protect the health, safety and economic well-being of the public as consumers in the marketplace and to identify the best use of our investigative resources, there are situations, such as this one, in which a referral to another agency may be better able to provide assistance.

We are forwarding the materials we received to your office so that you may assist this consumer. We have advised the consumer of our action and that all future inquiries should be directed to your office. We appreciate the assistance that your office can provide to this consumer and extend our willingness to assist your office when necessary.

If you have any questions regarding this referral, please contact our Consumer Service Center at (973) 504-6200.

Sincerely,
