Re: Inquiry

Sir/Madam,

I want to inquire your office about the headlight assembly for Honda Accord 94
SONAR sk3302-Acd94 ahr13pp2. Based on my researched at Google and the supplier/manufacture
Said it is DOT approved(per Attached).

I want to hear from you the truth. VA State inspector mechanic wont past my car unless
I have certificate from you that the headlight is DOT approved.

I hope for your kind consideration ,and really appreciated your help.
