I WOULD LIKE TO REPORT A SAFETY ISSUE THAT'S BEEN BOTHERING ME FOR A YEAR AND A HALF.....Since I Purchased My Car. I PURCHASED A 2011 KIA OPTIMA FROM A DEALER SHIP IN JERSEY CITY...THE CAR RUNS GOOD...BUT MY BIGGEST PROBLEM BECAME THE HEADLIGHTS ON THIS MODEL....THEY Do NOT PROJECT AT NIGHT AT ALL...CAN NOT SEE ANYTHING IN FRONT OF ME AT ALL....ALMOST HIT 3 PEOPLE BECAUSE I COULD NOT SEE THEM WITHOUT TURNING ON MY HIGH BEAMS.....WHICH I SHOULD NOT HAVE TO DO....THESE NEW ROUND PROJECTOR LIGHTS ARE NO GOOD....

THE KIA DEALER /PARTS DEPARTMENT IN JERSEY CITY HAD ME PURCHASE NEW BULBS THEY TOLD ME IT SHOULD SOLVE MY PROBLEM..... THAT SAME NIGHT SAME PROBLEM

I Do Not Like To Complain....But I Keep Getting Stop By The Police...Because they think my Headlights Are out... I Got To Drive At Night With My HIGH BEAMSIS THERE ANY WAY TO CHANGE THE HEAD LIGHTS TO ANOTHER ..NEW TYPE.....SO I CAN SEE IN FRONT OF ME,,,NEED YOUR HELP..... Thank you
