# IMPORTANT SAFETY RECALL

December 2015

Chicago, IL [REDACTED]

This notice applies to your vehicle, VIN: 1G2WP52K41F [REDACTED]

Dear [REDACTED]

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2001 model year Pontiac Grand Prix vehicles equipped with a 3.8L V6 engine. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

## IMPORTANT

- Your vehicle is involved in GM safety recall 15757.
- Parts to repair your vehicle are not currently available.
- Previously, your vehicle was repaired under a safety recall for this condition. The remedy procedure performed on your vehicle may not be sufficient to prevent subsequent engine compartment fires relating to this condition. Your vehicle will require further repairs to remedy the condition.
- **Until you have had your vehicle repaired it is recommended that the vehicle be parked outside and not in a garage or other structure.**

**Why is your vehicle being recalled?**

Drops of engine oil may be deposited on the exhaust manifold through hard braking. This condition could cause an engine compartment fire.

**What will we do?**

Parts to repair your vehicle are not currently available, but when parts are available, your General Motors dealer will replace your engine's front valve cover and front-valve-cover gasket with new parts of an improved design. Your engine's plastic "beauty" cover and plastic oil-fill-tube extension will be removed, if they haven't been already. This service will be performed for you at no charge.

When parts are available, we will send you another letter asking you to take your vehicle to your General Motors dealer to have your vehicle serviced. You can also check the status of this recall at [www.my.gm.com/recalls](http://www.my.gm.com/recalls). If you have already paid for repairs for this condition, a reimbursement request form will be included with the next letter.
