You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.				

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

None of the above has occurred at this time, I received recall letter July of 2015 it is now 9-20-2016. This vehicle was purchased with passenger air bag for safety. I have not been able to comfortably drive this vehicle with passengers, wife or 2 boys knowing the airbag is in ~~recall~~ recall. I paid for vehicle to have operating air-bag for safety and do not have operating. Chevrolet says to turn passenger air bag off. What good is this? Something needs to be done!
