You are receiving this notice because your factory warranty will expire or may have already expired based on the mileage and/or age of your 2013/Honda/Fit. If you did not obtain extended coverage at time of purchase, you should **act immediately**.

Please call **1-866-491-9998** today.

Due to the nature of this program, your ability to receive the highest level of coverage is very time sensitive. If you no longer own this vehicle, and have purchased a replacement vehicle please call us to ensure coverage on your new vehicle.

By neglecting to replace your coverage you will be at risk of being financially liable for any and all repairs after your factory warranty expires. However, you will still have time to activate your service contract on your vehicle before it's too late. No vehicle inspection will be required.

No other notices will be sent for this offer. This will be our only attempt to contact you about your expiring factory warranty.

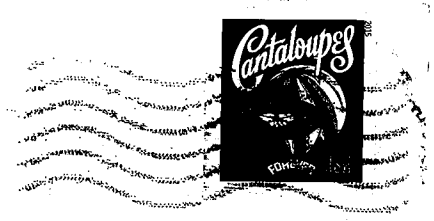

Your file on this vehicle will be deleted and you may no longer be eligible for this *discounted* offer regarding service coverage after 08/19/16.
