[REDACTED],

Thank you for speaking with me today regarding the seat belt failure you reported. Consumer complaints help us to identify defect trends in motor vehicles and the information consumers provide is most helpful in that effort.

As we discussed, post-crash photos and a copy of the police accident report would be helpful in understanding the dynamics of the crash. I will add the documents you send to your report #10904763.

Thank you for your assistance and your interest in highway safety.
