JAN 26 2018

I received a recall on the Driver Airbag recall #17V-449 on my 2011 Nissan Versa. It wasn't long ago that I got a recall on the passenger airbag which took almost a year to be repaired

In addition to the recall notice from Nissan I also received a notice of a chapter 11 bankruptcy filing by Takata. AND!! A notice of a "class action suit" against Nissan

This situation is more than a "joke" It's absurd!!!!!!!!!!!!!!!!!!!!!!

I have decided to continue to drive this piece of "!.@#\$\$ Since I am the only driver, I'm not endangering my family. Should something happen to me I have instructed my wife to suit Nissan.

I do not think the regulatory agencies can help but do want to go on record of this complaint

Special notice to Nissan. I DON'T WANT YOUR LOANER CAR DUE TO THE CONDITIONS

Sincerely

A \$97,679,141 million Settlement has been reached in a class action lawsuit alleging that Nissan North America, Inc. and Nissan Motor Co., Ltd. (collectively, "Nissan") manufactured and sold vehicles that contained allegedly defective airbags made by Takata Corporation and its affiliates ("Takata"). Nissan denies the allegations in the lawsuit, and the Court has not decided who is right. The \$97,679,141 Settlement Amount, less a 10% credit for the Rental Car/Loaner Program, will be funded over a period of time and will be used for all relief and associated costs, as further discussed in the Settlement Agreement. The purpose of this notice is to inform you of the class action and the proposed settlement so that you may decide what to do.

Who's Included? The Settlement offers potential payments and other benefits to current and former owners and lessees of certain Nissan and Infiniti vehicles that have or had Takata airbags, which are, may or will be subject to a Recall ("Subject Vehicles"). A complete list of Subject Vehicles currently included in the Settlement is posted on the www.AutoAirbagSettlement.com Settlement Website. This Settlement does not involve claims of personal injury or property damage to any property other than the Subject Vehicles.

What Are the Settlement Terms? The Settlement offers several benefits, including an Outreach Program to maximize completion of the recall remedy, reimbursement of reasonable out-of-pocket expenses related to the Takata airbag recall, a Rental Car/Loaner Program for owners or lessees of certain Subject Vehicles, additional payments to Class Members from residual Settlement funds, if any remain, up to a maximum of \$500, and a Customer Support Program to help with repairs associated with affected Takata airbag replacement inflators. For further details about the Settlement, including the relief, eligibility, and release of claims, you can review the Settlement Agreement at the website, www.AutoAirbagSettlement.com.

How Can I Get a Payment? You must file a Claim to receive a payment during the first four years of the Settlement. Visit the website and file a Claim online or you can download one and file by mail. The deadline to file a Claim will depend on the recall or repair date of your Subject Vehicle and will be at least one year from the date the Settlement is finalized. All deadlines will be posted on the website when they are known.

Your Other Options. If you do not want to be legally bound by the Settlement, you must exclude yourself by **January 8, 2018**. If you do not exclude yourself, you will release any claims you may have against Nissan and the Released Parties and receive certain settlement benefits, as more fully described in the Settlement Agreement, available at the Settlement Website. You may object to the Settlement by **January 8, 2018**. You cannot both exclude yourself from, and object to, the Settlement. The Long Form Notice available on the website listed below explains how to exclude yourself or object. The Court will hold a hearing on **February 7, 2018** to consider whether to finally approve the Settlement and a request for attorneys' fees of up to 30% of the Settlement Amount and awards of \$5,000 to each of the Class Representatives. You may appear at the hearing, either yourself or through an attorney hired by you, but you don't have to. For more information, call or visit the website below.

**IMPORTANT LEGAL NOTICE FOR OWNERS OF VEHICLES WITH TAKATA
AIRBAG INFLATORS**

*- This Notice was authorized by a federal court. Read it carefully.
Your rights are at stake. -*

Why have I received this notice? TK Holdings Inc. and certain of its affiliates listed on the reverse side of this notice (collectively, the "Debtors") have filed chapter 11 bankruptcy cases in the United States. The Debtors are subsidiaries of Takata Corporation, Japanese corporation engaged in the manufacture and sale of airbag inflators and other automotive components. Takata Corporation and its worldwide affiliates (including the Debtors) are referred to collectively as "Takata." Takata Corporation has filed a bankruptcy proceeding in Japan. This notice relates only to the Debtors located in the U.S. and Mexico.

You have been identified as the current or former registered owner of a vehicle with one or more Takata-manufactured airbag inflators containing phase-stabilized ammonium nitrate propellant ("PSAN Inflators"), which are or may be defective and could rupture, creating a risk of personal injury or death. This notice sets forth the deadline for asserting claims against the Debtors in the U.S. bankruptcy proceedings and provides other important deadlines and information about the chapter 11 cases. If your vehicle contains a defective or potentially defective airbag inflator and is under recall, contact your nearest dealership immediately to schedule a free repair.

Do I have a claim against the Debtors? You (or, in the case of a wrongful-death claim, the estate you represent) may have claims against the Debtors, including for monetary loss, personal injury, or death (in each case, whether past or future) on account of your current or past ownership of a vehicle containing a PSAN Inflator regardless of whether such PSAN Inflator is subject to a recall or has already been repaired or you have thus far suffered no loss, injury, or death on account of your PSAN Inflator (as such claims may be deemed to have accrued before the Debtors filed for bankruptcy). To assert a claim, you must file a proof of claim by the deadline and in accordance with the instructions on the reverse side of this notice. If you fail to do so, your claim may be barred and you may receive no recovery.

What else should I do? The Debtors strongly recommend that you: Carefully review this notice, including the reverse side, in its entirety. Please visit www.AirbagRecall.com or call 1.888.327.4236 for more information about obtaining free replacement airbags. Register your email address at TKRestructuring.com/PPIC. You will receive no further notices in the chapter 11 cases unless you do so and may miss important information. Call 833-619-7579 (U.S. toll-free) or 920-238-6810 (international), email tkppic@primeclerk.com, or visit TKRestructuring.com/PPIC if you have questions. Contact an attorney for legal advice concerning the chapter 11 cases.
